Statement of Pledge Requirements

- All Pledges will complete twenty (20) Service Hours per semester, of which 15 hours must be completed through the Fraternity.
- All Pledges will attend five (5) Fellowship Events per semester with the Fraternity.
- All Pledges will help collaborate and participate in their Pledge Service Project and Pledge Fellowship Event.
- All Pledges will be in attendance for the weekly pledge meetings. If needed, two (2) excused absences are allowed if approved by the VP of Membership and Pledge Trainer. Any more absences will result in conference with the Executive Board. If an issue with the pledge meeting time arises the Pledge must consult with the VP of Membership and Pledge Trainer to resolve the conflict.
- All Pledges will complete the handouts received from pledge meetings in preparation for the test. Excused absences do not excuse the Pledge from the assignment.
- All Pledges must receive no lower than a 75% on the Test in order to be initiated. One make-up test will be allowed for those below this standard. If the make-up test results in a failing grade, the Pledge will have to re-pledge the following semester before being initiated into the Fraternity.
- All Pledges will respectfully represent the Fraternity on and off campus. Actions of plagiarism, offensive language, illegal behavior, etc., will not be tolerated.
